

L-Tryptophan is an essential amino acid provided by mixed dietary protein intakes from different sources. L-Tryptophan can also be consumed in the form of supplements.

Warnings: Pregnant or lactating women, individuals taking antidepressant medications (like SSRIs, MAOIs) or with liver disorders consult their healthcare professional before using this product! L-Tryptophan may cause drowsiness! KEEP OUT OF REACH OF CHILDREN! DON'T EXCEED THE RECOMMENDED DAILY DOSAGE! Use this product in conjunction with food as part of a healthy, balanced diet, not as a substitute for such.

Allergen info: Manufactured in a facility that processes milk, egg, gluten, soy, peanuts, nuts, fish and crustacean ingredients.

Storage conditions: Store in a cool, dry place. Heat and sunlight may damage the bottle!

Best before end: see on packaging. (MM/YYYY)

Batch number: see on packaging.
